Gadsden Elementary School District #32 to purchase a second school bus for 2023-2024 school year

SAN LUIS, AZ— Gadsden Elementary School District #32 is pleased to announce the purchase of a second school bus for the 2023-2024 school year to improve student transportation services. As well as enhancing safety and comfort of students but also contributing to the district’s commitment to providing efficient and reliable transportation solutions.

The school bus is a 2024 Bus International totaling a cost of \$166,482.90 with advanced safety features, including Global Positioning System (GPS), electronic stability control systems, and enhanced visibility for drivers. The measures align with the Gadsden ESD #32’s commitment to prioritizing student safety above all else. Additionally, the bus is equipped with modern technology systems that enable real-time tracking and monitoring, allowing school administrators to have better visibility into bus routes and arrival times.

“We are very excited to see our bus fleet improving,” said Transportation Director, Salvador Sandoval. “The safety and well-being of our students is very important, and this new bus will be used to replace the older buses that we have.”

The Gadsden Administration is grateful for the support and collaboration of all stakeholders involved in making this investment possible. Students and parents, can look forward to experiencing the enhanced transportation services provided by the Gadsden ESD #32.
