

City of Yuma Fire Department  
***Press Release***

Date: 07/05/2024

Subject: Shed Fire

Contact: David Padilla Jr, Public Information Officer

Release: ***For Immediate Release***

The Yuma Fire Department responded to a report of a fire endangering a residence. Upon arrival, crews discovered an active fire outside of a shed, near the rear of the structure. Yuma Engine 4 arrived on the scene to find smoke and flames coming from the alleyway. Yuma Eng 4 extended hose lines into the alleyway to access the fire; additional engine companies arrived and assisted with extinguishment. The fire was contained to pallets and rubbish outside of the shed. The cause of the fire was undetermined, and damage was isolated to the exterior of the shed. No injuries were reported.
