Press Release

Date: September 23,2024

Subject: Palm Tree and Mobile Home

Contact: David Padilla Jr, Public Information Officer

Release: ***For Immediate Release***

At approximately 0156 hours Yuma Fire Department units were dispatched to a commercial assignment for reports of palm trees on fire in a trailer park in the area of 21st Dr and 12th Street. Yuma Engine 4 (YE04) arrived at the location and reported heavy fire involvement of palm trees and a mobile home.

Yuma Duty Chief 1 (YDC1) proceeded to Dora Avenue and found the involved double wide trailer. Access was limited due to a dead cul-de-sac. YDC1 established Command, reporting a heavily involved double wide trailer; YDC1 established the Incident Action Plan as a defensive fire attack, prioritizing protection of surrounding homes. Crews from the Yuma Fire Department began an aggressive fire attack from the surrounding areas. The fire was under control in approximately 30 min.

The cause of the fire is being investigated by the Community Risk Reduction Division of the Yuma Fire Department. No injuries were reported.
