RE: Bryan Cook - JCF007268 & Charles Demar - JCF007269
Date: October 23, 2024

IMPERIAL COUNTY – Bryan Cook and Charles Demar were sentenced to life in prison for the murder of Aaron Tyler Glynn at the Calipatria State Prison. Both defendants will be eligible for parole consideration after 20 years, consecutive to their current prison terms.

Defendant Demar is already serving a life sentence, while defendant Cook was scheduled for release on parole in December of this year. Cook's conviction on this case will impact his parole release.

The sentencing follows a preliminary examination earlier this year where eight Calipatria State Prison personnel and two Imperial County District Attorney's Office investigators testified, establishing probable cause for the murder of Mr. Glynn.

The Imperial County District Attorney's Office commends the staff of the Calipatria State Prison for their thorough investigation of this case, which has prevented the release of a convicted murderer. Senior District Attorney John Harter was the prosecutor on this case.
