

RCBH San Luis Walk-In Clinic, Inc. presents donation of COVID-19 At-Home Tests to both San Luis and Somerton Senior Centers

Yuma, Arizona (October 2, 2024).- The Regional Center for Border Health, Inc. (RCFBH) San Luis Walk-In Clinic, Inc. (SLWIC) presented a donation to both San Luis Senior Center and Somerton Desert Valley Senior Center.

Ms. Yesenia Sedano, Quality Assurance Coordinator along with Miss Catalina Navarro, International Public Relations Specialist with the non-profit organization presented two boxes of At-Home COVID-19 Tests to each location where 60 years and over adults are assisted, to provide them with resources when need arise.

Ms. Francisca Ramirez, Coordinator of Senior Services at Desert Valley Senior Center, in Somerton, and Ms. Marilyn Arellano, Senior Services Coordinator with San Luis Senior Center, received the donation.

Ms. Sedano stated that Seniors are considered more likely to experience serious illnesses from COVID-19, testing for the virus will prevent the spread and will make possible for them to get the healthcare they need.

Each box comes with a total of 45 double tests kits, with instructions and SLWIC Urgent Care locations address and phone number, for the Seniors to get assistance should need arise.

For more information about COVID-19 Testing and Vaccination available at SLWIC, please call (928) 236-8001.
