

City of Yuma Fire Department
Press Release

Date: 12/09/24

Subject: Kitchen Fire (Apartment)

Contact: David Padilla Jr, Public Information Officer

Release: ***For Immediate Release***

On 12/8/24 at approximately 12:30pm the Yuma Fire Department was dispatched to a report of an apartment fire in the 2300 block of Kennedy Lane. Yuma Engine 3(YE03) arrived on scene and found an apartment with heavy smoke. YE03 set up for fire attack while additional arriving apparatus, Yuma Engine 2, connected to a hydrant and laid a supply line. A primary search of the residence was “all clear” indicating no victims were located. Yuma Ladder 1 began evacuating surrounding apartments. YE03 found a fire on the stove actively burning provided a quick knock down of the fire. Crews began to remove ceiling and walls looking for any extension of the fire. The fire was isolated to the stove and kitchen area, and no injuries were sustained.
