City of El Centro Reschedules Ice Cream Social and Rain on Main to May 30

EL CENTRO, Calif. – May 20, 2025 – The City of El Centro is pleased to announce that the Ice Cream Social and Rain on Main event has been rescheduled and will now take place on Friday, May 30, from 6 p.m. to 9 p.m. at Downtown Town Square.

Originally postponed due to high winds and safety concerns, the event is back on the calendar and ready to bring the community together for an evening of summer fun.

This free, family-friendly event will feature live music, food vendors, a kids zone, and the popular fire truck water feature. In addition, residents will have the opportunity to meet with Mayor Sonia Carter and City Council to share their thoughts and ideas about the future of Downtown El Centro.

The City of El Centro invites all residents to attend and enjoy an evening of community connection and celebration.
