## **Relay For Life of Yuma County Dancing Through the Decades**

### **Relay For Life of Yuma County Returns March 21 Celebrating 30 Years in the Community**

YUMA COUNTY, AZ — **FOR IMMEDIATE RELEASE**

The community is invited to come together for the **Relay For Life of Yuma County** on **Saturday, March 21, 2026**, from **10:00 a.m. to 11:00 p.m.** at the **Pacific Avenue Athletic Complex**. This year's event marks the **30th anniversary of Relay For Life in Yuma**, celebrating three decades of the community uniting to fight cancer.

Relay For Life is a signature fundraising event of the American Cancer Society that brings together cancer survivors, caregivers, families, and supporters to honor those impacted by cancer while raising funds to support research, patient services, and advocacy efforts.

Throughout the day, participants and visitors can enjoy live entertainment, food vendors, team campsites, activities, and opportunities to learn more about the American Cancer Society's mission to end cancer as we know it, for everyone.

A highlight of the evening will be the **Luminaria Ceremony**, where glowing luminaria bags line the track in honor and memory of those affected by cancer. The ceremony provides a powerful moment for the community to pause, reflect, and remember loved ones.

Since its beginning in **1996**, Relay For Life of Yuma County has raised **more than \$3.5 million** to support the mission of the American Cancer Society. Community teams, local businesses, and volunteers continue to play a vital role in making the event possible each year.

Community members are encouraged to attend, support participating teams, and take part in this meaningful day of celebration, remembrance, and action.

For more information or to register, visit: [www.relayforlife.org/yumacountyaz](http://www.relayforlife.org/yumacountyaz)

### **About Relay For Life**

Relay For Life is the largest peer-to-peer fundraising event in the world, bringing communities together to honor cancer survivors, remember loved ones lost, and take action to fight back. Funds raised support ACS's mission to improve the lives of people with cancer and their families through advocacy, research, and patient services.
