SYNOPSIS: On 06/19/2026 at approximately 1811 hours, police were notified that a female juvenile identified as Skyler Conville was reported as a runaway. The reporting party, who identified themselves as Skyler's relative, told police that Skyler had been missing since 1330 hours on 06/19/2026. Skyler was last seen wearing multi camouflage pants, a dark grey shirt, and a hot pink bonnet. Skyler went missing at Circle K, located at 3135 West Superstition Blvd, Apache Junction, AZ 85120 shortly after Skyler and several family members got into an argument in the Circle K parking lot. After reviewing security camera footage, Skyler was seen returning to the parking lot at 1306 hours and walking up to what appeared to be an early 2000s white Chevrolet Impala four door sedan with damage to the driver's side of the front bumper, which Skyler got into. The vehicle then traveled westbound in the parking lot, where they turned northbound onto North Meridian Dr and then turned left heading westbound onto West Superstition Blvd at approximately 1307 hours. Security camera footage also identified the driver of the vehicle as a male aged in their 50s-60s, with black/brown eyes, black/grey hair and beard, and wearing a grey tank top, black shorts, and black sneakers. Skyler is a habitual runaway who has a history of mental health issues. **Skyler was entered into NCIC as a runaway juvenile.**
